

# THE GARDEN CITY CO-OP INC.

"Moving  
Forward  
Together.."

Officially Chartered in 1919, The Garden City Cooperative and Equity Exchange, now The Garden City Co-op, Inc. has grown to one of the largest and strongest Cooperatives in the State of Kansas. With 21 grain elevators covering approximately 200 miles between Ulysses, Kansas and Ransom, Kansas, with storage capabilities of 23,662,000 bushel, The Garden City Co-op, Inc. proudly serves 2,052 owner/members.

The Garden City Co-op has become the largest distributor of Cenex fuel nationwide, and one of the largest distributors of Cenex lubricants. With a strong growing relationship with CHS, the Petroleum Division has grown beyond the small on farm delivery of our founders.

Serving farmers needs in Kansas, Texas and Oklahoma, The Garden City Co-op Crop Production Division handles distribution and application of fertilizer and chemical utilizing state of the art application rigs for both dry and liquid.

The Garden City Co-op, Inc. using the newly formed Western Transport hauling not only product for The Garden City Co-op, Inc., but for outside vendors as well ranging from grain to fuel products.

The Garden City Co-op, Inc. is directed by a 7 member Board of Directors, along with 4 associate members. GCC employes approximately 130 full time staff in 27 locations.
