

“Adding Value Through Innovative Feed Processing For The Livestock and Poultry Industry”

Let us help you create more wealth through Livestock and Poultry Production

Your Livestock, Our Resources, Everyone's Food!

UFC Feed Division

Our promise to you:

- We will support and defend the livestock industry.
- We are committed to breaking down productivity barriers.
- We will always be an asset to your business.
- We will give honest and accurate answers – always.
- We will represent integrity, honesty and credibility.
- We will offer a predictable and acceptable return when you invest in our services and products.
- We will support every new product, program solution and concept with extensive research.
- We will always use proven manufacturing processes.
- We will never compromise quality with unacceptable or inferior raw materials
- We will provide sensible counsel and leadership – every time.
- We are 100% committed to helping you thrive and create wealth.
