Name: _____ Cell phone # () _____

Address: _____

City: _____ State _____ Zip Code _____

Your Cellular Phone Company: _____ (i.e. Verizon/US Cellular etc)

Home/Alternate phone number: _____

Do you currently have a texting package on you cellular phone: Yes / No

Industry standards dictate that a maximum of 160 characters of information can be delivered in an individual message.

This generally equates to 6 commodity contracts per message. There is no limit to the number of messages per update.

Check with your phone company on the various text messaging fees and programs that are available before subscribing to the Agmark Market Updates.

To subscribe or change your service options please call the Beloit office at 888-848-9979. Other markets available upon request.
