## \* CLEARLANE GREEN SALT

*Clearlane is treated with a corn by product— result is a more dense stickier salt , stays where it lands and doesn't blow and drift like a typical white rock salt . Better melting characteristics because more salt stays where you want it.*

# Frick Services Contract

Assures Customer that from date of Contract to March 31, 2013

- Price is Fixed
- Product is Secure

A contract gives you as the customer the security that as winter blows in, not only is your product secure but pricing is fixed!

- *i.e.* Typically in January prices will increase as product supply dwindles

When you as a customer chose to utilize our Contract and Prepay:

Not only will you have a lower cost, but any product **NOT PULLED** by 3/31/13 can be stored for a one time 6% storage fee.

We will store the product until the following season:  
It's paid and ready regardless of price fluctuation for that season!  
- *Secures product for current season!*  
- *No need to worry about storage come 3/31/13*

**We also offer Delivery of Full Loads ONLY!**

**- 18 pallets of Bagged**  
**- 25 tons of Bulk**
