

1/18/12

Delayed Price Program

For NEW DELIVERIES of grain:

Spring Wheat - 5¢/bu/month effective 1/12/12. No minimum charge, no ending date.

Winter Wheat – Free DP. Grain is to be priced by 8/1/12 or will be rolled into fall delayed price program.

Corn – Free DP. Grain is to be priced by 10/15/12 or will be rolled into fall delayed price program.

Soybeans – Free DP. Grain is to be priced by 9/15/12 or will be rolled into fall delayed price program.

DP is limited to space available at each location.

DP charges will be calculated the same as in the past years with 15 days free from average unload date of each assembly sheet. If not priced within the 15 days, DP charges will be calculated from average unload date.

NOTE – The title of grain passes to the elevator when grain is delivered on DP. Pricing of grain off of DP will be based on the current days market. DP cannot be applied to contracts for future delivery periods.
