Dedicated to Providing  
Solutions to Help  
You Succeed.

## REFINED FUEL DELIVERY SYSTEM

Refined Fuel Delivery System (RFDS) will help you gain more efficiency in your operation by keeping an adequate supply of fuel on hand at all times.

You will be able to average the cost of fuel you use, to eliminate the stress of the highs and lows in the market.

With the delayed billing option, you will be able to save money by only paying for what you use, and never have your money tied up in fuel inventory.

## CONTACT US

If you have questions, want more information, or would like to sign up for the Refined Fuel Delivery program, we are available for your petroleum needs.

## QUALITY PRODUCTS

We offer premium diesel fuel with Ruby Fieldmaster and Cenex Roadmaster XL which optimizes performance with a high quality, balanced additive package:

- Improves fuel economy up to 5%
- Improves fuel lubricity up to 15%
- Improves power by 4.5%
- Its typical cytane number is 48
- Lowers maintenance costs
- Extends life of injectors/injector pumps

## FLEXIBLE PRICING SYSTEM

**Delayed Billing Option** - You only pay for the fuel you use each month. Other billing options are available.

**Volume Discounts** - Your discount is based on the total storage volume of the tank and not the volume that was delivered.

**Average Monthly Pricing** - The fuel price you pay is the 30 day average price of fuel, for the billing cycle in which the fuel is used; therefore, you will not out-guess the market.

**Buy out your tank**, if you like the current fuel price.

**Contract your fuel.**

**No added cost to you** - There are no costs or fees associated with RFDS as the monitors are provided by North Central Farmers Elevator.

## OIL AND WARRANTY

We offer the Cenex Total Protection Plan™ Warranty. The Warranty is available for new and used equipment at a very low cost. To qualify for the Warranty, both the Cenex Ruby Fieldmaster and Cenex lubricants must be used. Please contact one of our Energy Specialists for more information.
